

2008 OPRA Dues Invoice

Dear OPRA Member:

This year we will be using Global Sales & Event Management, LLC to perform the needed administrative responsibilities for our association instead of SHOPA. A **mandatory fee** of \$300/\$307.50 will be charged to all companies joining OPRA to cover this expense. In addition, OPRA will continue its tiered membership fee based on the number of full-time employees. Companies who have ten or more full-time employees will pay an additional \$300/\$307.50; five to nine employees will pay an additional \$200/\$205.00; and those who have fewer than five employees will pay an additional \$100/\$102.50.

We will also be charging \$300/307.50 for OPRA members to include a company ad on the www.oprareps.org web site. The purposes of these fees are to generate revenue for use by OPRA for expenses associated with marketing and planning OPRA events.

Please complete the form below and remit payment of the applicable dues.
